2. The following is an examiner's statement of reasons for allowance: The application is allowable for the reasons set forth in the decision of the Board of Appeals and Interferences dated 9/15/06, which is hereby incorporated by reference. As noted therein, and as argued in the Appellant's brief, the claimed invention requires a kingpin or a sliding mechanism slidingly captured within the trailer frame, whereas the closest prior art does not teach or suggest the claimed invention.

3. Claims 1-14 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
